Deputy Technical Manager (Preferably Sound & AV bias) 40 hours per week Competitive, dependant on experience Technical and Buildings Manager Technicians, Casual technicians and show staff. BKL Production teams, External Producers and production teams, All Internal Venue departments The Other Palace

Location:

Main Purpose

Bill Kenwright Ltd is looking for a motivated and enthusiastic Deputy Technical Manager to assist with the smooth delivery of all production elements and events undertaken in the venue along with managing the smooth operation of the building and facilities. The key elements of the role include:

- The post holder will support the Technical Manager with the planning, technical delivery, staffing and support of all productions. This includes received shows, hires, and events, BKL productions and in-house productions.
- To support the technical manager with the resource management, Rota, and delivery of all technical staffing, as required by the program of performances and events.
- To work with the technical team on the maintenance, repair, inspection, and replacement of both installed and loose technical equipment.
- To undertake periodic H&S and operational checks including, lamp rounds, fire alarm tests, LOLER inspections, PAT testing of technical equipment etc.
- To be an active member of the H&S committee, working closely with the Theatre Manager, Technical Manager, FOH manager and Operations Director, to manage and maintain the Venues Health & Safety policies and procedures, ensuring that all operations and activities have suitable risk assessments, method statements and CDM plans and that these are followed, including incident and emergency plans. This will include being on the emergency call out list.
- To undertake and lead on (where required) Get-ins, Fit-ups, technical rehearsals, performances, Get-outs and including delivery of toolbox talks during technical periods.
- To operate shows on an adhoc basis in both the main house and studio.
- To act as the duty technician for performances and events, overseeing the smooth running and suitable evacuation and safety procedures as required.

Responsibilities include:

- 1. To support the technical manager with line managing the technical department, coaching and developing staff skills and experience, ensuring an innovative and 'can do' work culture always ensuring that we deliver first-class production values, maximize revenue generation through recharges and deliver smooth operation.
- 2. To enforce and encourage good safe working practices within the department to maintain high production values and efficient working.
- 3. To be familiar with current Health & Safety regulations relevant to the industry and to keep abreast of changes and developments and notify the Technical Manager of any health and safety issues which arise.
- 4. To ensure that all work undertaken throughout the theatre adheres to the in-house Health & Safety Policy and H&S regulations, with especial regard for loading and unloading equipment (from vehicles), manual handling, use of tools, working at height, electrical safety and use of access equipment. Alongside any other safe working practices within the department.

- 5. To support the Technical Manager with the administration of the technical department including production schedules, Rota, and plans, including the booking and allocation of staff resources, in-house equipment, external hired equipment, and suppliers (including recharging productions and visiting companies).
- 6. To undertake regular basic testing, checks and maintenance, such as daily lamp rounds, weekly fire alarm tests, seating checks etc. as well as undertaking maintenance and upkeep on venue technical equipment.
- 7. Support the Technical Manager to ensure that all riders, plans are received within suitable timescales, and support is provided with the efficient provision of venue plans and information, including site visits.
- 8. Play an active role in the fit-ups, production periods, show runs and get-outs as required by the staff rotas, including acting as duty technician for the purposes of evacuation responsibility and running of performances.
- 9. To ensure that venue equipment is stored safely and securely and is proactively cared for.
- 10. Any other duties appropriate to the post and under the Equalities Act with due consideration to any employees with a "protected characteristic" and within the framework of equal opportunities.
- 11. Ensure that all hazards are identified and managed to an acceptable level, ensuring all relevant documentation is also completed. You will also demonstrate you are committed to Health & Safety by leading by example.
- 12. Lead on creating a culture of pride in the workplace by always ensuring clean and well-presented public and backstage spaces within the building.

General Information

The Other Palace is owned and operated by BK Theatres part of the Bill Kenwright Group of Companies. The Other Palace is a lively, friendly, and inventive venue in London Victoria, featuring a 312-seat main theatre and a 120-seat studio theatre as well as a bar and restaurant.

The Bill Kenwright Group of companies includes 3 core elements:

Bill Kenwright Theatres

We are proud to own and operate Theatre Royal Windsor and The Other Palace in London

The Other Palace (formerly known as the St James Theatre) is built on the site of the Westminster Theatre, with a 312-seat main house, a studio seating 120 a bar and restaurant all operated in-house. The Other Palace focuses on being a creative hub for new theatre, where theatre is developed, discovered, explored, and celebrated.

Bill Kenwright Ltd purchased the theatre in 2021 from Andrew Lloyd Webber's LW Theatres, reopening the venue from the pandemic with a record-breaking season of Heathers the Musical, followed by a sell-out premiere of Frank & Percy starring Ian McKellen & Roger Allam. Recent main-house productions include Cruel Intentions: the 90's Musical, Fantastically Great Women (who changed the world) and Mischief Move Nights.

The Other Palace champions and promotes new writing and new musicals with regular workshops, readings, opportunities to get involved and performances of emerging work.

Theatres Royal Windsor is nestled in the shadows of Windsor Castle, Theatre Royal Windsor has a history stretching back over 245 years. The current Grade II listed 633 seat theatre opened in 1910.

One of the only completely unsubsidised regional producing theatres in the UK that operates all year round, Bill Kenwright Ltd took over the operation of the Theatre in 1997 following its closure. Bill Kenwright himself starred in many productions here as a young actor under John Counsell's management in the 1960's and 70's.

The theatre produces a range of plays and musicals which subsequently tour the UK or transfer into the West End, as well as its annual pantomime which has now been running for over 85 consecutive years.
